The attachment is a translation of an original copy of the telephone book of the J. Dimitrov Plant of the Avia National Corporation, Letnany, issued on 1 June 1952. The translation was made from the Czech to German and from German to English. Certain terms are unclear and have been left in the German. The following English translations have been made for the indicated German:

Zurichtungsteile - adjustment parts
Brachen - fuselages
Humpf - body
Kleine, grosse linie - small and large lines
Regiematerial - office equipment
